Thirty Sign Up For Active Duty With Local Infantry

Company B. Seeks Support Of Post 410, American Legion

With nearly thirty recruits enlisted for active duty on the home front, Company B of the Seventeenth California Infantry, new military unit which is being formed in Daly City, this week seeks support of Daly City Post No. 410, American Legion.

Following a meeting of the American Legion, last week, representatives of the Legion signified intentions of attending last night's drill of the Daly City infantry. Captain Maurice Auerbeck, commanding officer of the San Francisco division of the Seventeenth California Infantry, addressed the local American Legion post, describing to them the need of a military unit in Daly City to guard against enemy attack.

Lieutenant Jack Hill, commanding officer of the Daly City Company B, said that there was a demand for two hundred men yet to be enlisted in the service. He emphasized the fact that the infantry in no way interferes with the progress of civilian defense. He said that in case of an enemy invasion the armed unit will be required to defend the city.

Drills are held every Wednesday night on the athletic field at Jefferson Union high school. At present, the drills consist of a

Daly City Strives To Achieve Perfect Dim-Out

Bodien Awaits Official Inspection By Navy Men

Although the effectiveness of the dim-out order in Daly City has been increased considerably in the past ten days, the Civilian Defense Council is pressing every effort to make the dim-out one hundred per cent perfect when officers of the Twelfth Naval District make an inspection here next week.

Arthur J. Bodien, chairman of the council, who described local dim-out results as being unable to pass navy inspection two weeks ago, declared, Monday, that there has been a great improvement. Local merchants have been especially cooperative in putting out neon lighting which is visible from the ocean.

All street lights in Daly City are being shaded on the west side by the Pacific Gas and Electric company, Bodien said. The lights from windows of a few Daly City homes are the only ones which are notably visible, and it was pointed out that this can easily be corrected by drawing

Clay Resumes Duties As Justice

Judge Wade H. Clay, who had been unable to attend to duties at his office since last October because of illness, returned to the bench, Monday, as justice of the peace of San Mateo county's first township. He has held this office for the past eight years.

Judge Clay has regained his health so that he can now continue full time as justice of the peace. He has filed candidate's papers in San Mateo county for re-election in the coming county election. In March of last year, Judge Clay's court was promoted to a class A court by an order of the Supreme Court. Judge John J. Fahey jr., present city judge in Daly City has been acting justice of the peace in the absence of Judge Clay.

Accompanying Judge Clay's return this week was a personnel change in that office. Daly City's municipal court, because of the

ISSUE MORE THAN TWO HUNDRED MASKS TO CIVILIAN VOLUNTEERS

Over two hundred members of Daly City's civilian defense army were issued gas masks, Saturday, prior to a two-day schedule of intensive training in gas prevention at Jefferson Union high school.

Motivated by the need of gas protection in all vital defense areas on the Pacific coast, and to expand training of civilian defense volunteers, Daly City's Civilian Defense Council ordered the training immediately after they were allotted the gas masks by the Office of Civilian Defense in Washington. Daly City was allotted 351 gas masks and they were distributed to services in the organization according to O. C. D. recommendations.

R. L. Crane jr., director of training, and two other leading civilian defense officials in Daly City, Arthur H. Quirnbach and Eugene Norton, instructed the local volunteers in the use of the gas masks in the course which began Saturday at 1 p. m. and was concluded Sunday afternoon. All three instructors were trained in a ten day course in civilian defense at Stanford university by the Chemical Warfare Service of the United States Army.

A chemistry instructor at Jefferson Union high school, Quirnbach has made a study of combatting war gases over a period of years. He was appointed to be senior gas officer in Daly City's Civilian Defense Council, last week, making it necessary for him to discontinue his duties as chief air raid warden. His successor as warden had not yet been named yesterday.

Quirnbach will organize the gas service in Daly City by establishing a de-contamination squad of civilian defense volunteers.

Emphasizing the strong need for expanding the training of volunteers, Crane said that no gas masks will be issued to additional volunteers until the three hour lecture course has been completed. The course consists of one hour and a half of lecture and one hour and a half of field work. Following the lecture course on Saturday the 210 volunteers who received gas equipment were placed under test to use their gas masks. They were required to go into a room in the pump house of the Water department which was filled with tear gas.

Following is the manner in which the gas masks were distributed to local volunteers according to O. C. D. recommendations: air raid wardens, 80; regular firemen, 45; auxiliary firemen, 27; regular police officers, two; first aid workers, twenty; utilities, four; decontamination, two; control center, ten. Crane pointed out that a number of these services could be allotted

more gas masks if there were more volunteers from that particular service present at the training.

Establishment of a bomb reconnaissance squad in Daly City was another step in gaining further protection for civilians. The squad is to become active only after a bombing, but the work is highly specialized and requires alertness. The bomb reconnaissance squad will make close inspection of bomb holes where bombs have dropped, and observations of unexploded bombs to learn how to handle them and decide on the amount of surrounding territory which will have to be vacated. Four local volunteers attended a bomb reconnaissance school in San Francisco and the squad will be formed by them. The four are Joseph Sarto, Elmer Kennedy, Sergeant W. W. Sunderland, and Officer Roland Petrocchi.

Constantine Gets Second Promotion

The second promotion during seven months of active duty in the Army was awarded Corporal Michael Constantine jr., son of Mr. and Mrs. Michael Constantine, 408 Winchester street, when he was recently promoted to the grade of sergeant, according to an announcement from Midland Army Flying school, Midland Texas.

Constantine is stationed at the Texas air school, largest of the Army Air Corps' bombardier flying schools. He was awarded his sergeant's stripes at the school following less than two months of duty as a corporal.

Joining the Army last October, young Constantine was first sent to the reception center at Mon-

Here is an outstanding example of the patriotism of young America in the scene portrayed at the Colma branch, Bank of America, recently.

John Ferrari, branch manager, is pictured handing Miss Gloria Ardizzone, San Francisco, war bonds which she purchased at the Colma bank. Gloria inherited \$5000 recently and promptly invested the major part in bonds which have a maturity value of \$4675.

With Gloria's purchase and with the help of minute men of the War Bond Drive in California, the Colma branch, Bank of America, hit an all time high of \$12,000 for the week, according to Ferrari.

Announce Grammar School Graduation Dates

In preparation for the close of the school year, graduation exercises are now being planned by both the public and parochial grammar schools in Daly City.

Perpetual Help school will open the year's graduation ceremonies when eighth grade students are honored, Friday, June 12 at Our Lady of Perpetual Help church at 8 p. m.

Graduates of the Jefferson Elementary School district will hold graduation exercises, Friday, June 19 at 2 p. m. in the high school auditorium.

Council Opens War On Slot Machines With Police Raid

Confiscate Ten Gambling Devices In Morning Raid

In the opening round of the new city government's war on "nickel gambling" in Daly City, ten local business houses were raided by Daly City Police officers, early Friday morning. Ten slot machines were confiscated.

Councilman H. H. Smith jr., chairman of the city council's police committee, ordered the city-wide raid with ten officers participating. Slot machines which were being played in taverns, grocery stores, and restaurants of Daly City were nabbed in the early morning raid. Most of the machines were nickel machines, but police officers also picked up a few penny machines.

"We split the officers up into four groups," said Smith as he described the confiscation, "and we covered the entire city by sending officers in pairs and three to taverns, grocery stores, and restaurants which had slot machines in their possession."

Additional steps to eliminate "nickel gambling" are expected by means of an ordinance which was introduced by Councilman Smith and is now before the city council which seeks to license pin-ball machines and other amusement devices in the city.

He said, "Slot machines are not included in this ordinance since the measure calls for licensing only games of skill and not games of chance."

Mrs. Eason To Head Consumer Group Here

Designed to keep local consumers informed about the effects of the war on consumer goods so that a high standard of living can be maintained, Consumer Information centers were authorized to be established throughout San Mateo county, this week.

PTA Groups Issue Tags To Children

Resembling closely the metal tags which are worn by all service men for identification purposes, tags were distributed to all Daly City school children under 18 years of age who were registered with the San Mateo County Parent-Teachers association. Issuance of the tags began at the grammar schools of the Jefferson district, Friday.

The children are required to wear the tags at all times so that they can readily be identified in the event they are separated from their families during any emergency. The tags are worn around the neck and complete information concerning the child appears on the tag, in effect, the name, address, religion, and blood type if blood has been typed. On each tag is the registration number of the child.

The number corresponds to the registration card which is filed

Schools To Assist In Campaign For USO Funds

Jeff Chorus, Band To Present Benefit Concert

The American service man's best pal, the USO, received the wholehearted support of Daly City schools, this week, as both Jefferson Union high school and the Jefferson district grammar schools pledged financial aid to the 1942 campaign for funds which is now under way in Daly City.

In a drive among teachers and employees of the Jefferson grammar schools, results were nearly one hundred per cent with only three exceptions in the entire district. A similar drive is being held this week at Jefferson Union high school but a final count of subscriptions for funds has not yet been taken.

In addition, the music department at the high school will stage a mammoth USO Benefit show next Thursday at 8 p. m. at the high school auditorium. The program will be directed by Oscar Busch, head of the music department, and the show will feature the high school band and chorus. Band members will appear in their new capes.

Tickets may be purchased at the auditorium on the evening of the performance.

The local campaign, in the past week, has received fine support from local women's groups and service organizations. All groups which have donated have responded immediately to the campaign, and more organizational contributions are expected.

Soon after donations were received last week from four Daly City groups, the USO was furthered by contributions of \$5 from Hillcrest Circle No. 143, United Ancient Order of Druids; Daly City Rod and Gun Club, \$2.50; Royal Neighbors of America, Vista Grande Camp No. 6035, \$2; Daly City Police department, \$5; and Companies 2, 5, and 6 of the Daly City Fire department, \$5 each. The latter donations completed contributions of \$5 from each company of the local fire department.

Mrs. Ethel Dorn, secretary of the USO campaign in Daly City, reported that individual contributions to the drive have also shown fine results in Daly City.

Daly City is aiming at a \$3,000 quota for the community's part of the USO campaign. The drive will be concluded on July 4.

Hold Open House At Colma Center

So that Red Cross activities in the Colma district may continue in the Colma Community Center, a benefit drawing is being held this afternoon at 4:15 p. m.

The drawing will be preceded in the Colma Community Center by an open house at 4 p. m. when cake and coffee will be served to ticket holders by Mrs. Estelle Packwood and Mrs. Alma Garibaldi.

First aid classes in the advanced division are in full swing in the Colma Red Cross under the direction of Miss Juanita Young,

Jefferson Union high school and its streamlined athletic plant, which is the envy of Bay area high schools, apparently really impressed George Lineer, Chronicle sports writer, Friday night.

Lineer was assigned to cover the aquacade produced by Jefferson students, but the story swelled in proportions to a feature on the entire athletic plant at Jefferson and those who made it a success. In addition to Lineer's story, Sports Editor Bill Leiser devoted half of Sunday's column to Jefferson's athletic program.

In a note to his editor, Lineer thanked Leiser for the Daly City assignment with the statement: "Jefferson tops anything I have seen in physical fitness and athletic programs. Not only a re

Cagney Stars In Air Thriller

James Cagney's newest starring picture, "Captains of the Clouds," a stirring story of Canada's heroes of the air, will have its first local showing tonight at the Daly City theatre. Dennis Morgan, Brenda Marshall, Alan Hale, George Tobias, Reginald Gardiner and Reginald Denny head the featured cast of the new picture, which was filmed by Warner Brothers in Technicolor.

Made with the cooperation of the Royal Canadian Air Force, "Captains of the Clouds" was filmed against the authentic backgrounds of the Canadian North Woods and the RCAF training field at Uplands. Director Michael Curtiz, the cast, and his crew of technicians travelled more than three thousand miles and spent nearly four months making the picture.

The story of "Captains of the Clouds" tells of the daredevil bush pilots of the North Woods country who join the Royal Canadian Air Force, only to find that in spite of their years of flying experience they are not eligible to be fighter pilots because they are too old. Instead they are assigned to teaching jobs. Cagney, as the most individualistic of them all, finds himself constantly in hot water because of his disregard of rules, and his insistence that a good pilot flies "by the seat of his pants." In disgrace, he nevertheless achieves at last his ambition to fight his country's enemies in the sky, to the lasting regret of those enemies. Interwoven with the action drama is an unusual love story involving Cagney, Dennis Morgan and lovely Brenda Marshall.

Forest Rangers Enlist Fire Prevention Aides

The United States Forest Service today urged all California citizens to join the Forest Fire Prevention Volunteers, and organization devoted to the prevention of man-caused fires in timberlands and watersheds.

Membership cards for the Volunteers are available upon application at forest supervisors' headquarters, ranger and guard stations, and automobile club offices authorized to issue Forest Service campfire permits.

"We are appealing to every outdoor man, woman and child of responsible age to pledge their services on the following five special assignments," Regional Forester S. B. Shaw announced.

"Volunteer Fire Prevention Wardens will observe forest fire laws and regulations, educate others in fire prevention practices, take initial action whenever possible in controlling unattended forest fires, report all fires to nearest authorities before they develop into costly conflagrations, and otherwise cooperate with Federal and State forestry officials in safeguarding natural resources."

RECRUITS—Alan Hale, George Tobias and James Cagney, as bush pilots from Canada's North Woods, arrive at the air field to join the Royal Canadian Air Force in "Captains of the Clouds," new Technicolor film starting tonight at the Daly City theatre.

Forty And Eight Whist To Benefit Blood Bank

To complete one of the most successful social seasons in years, San Mateo County Voiture No. 393, Forty and Eight society, will hold its final whist party and dance, Saturday evening, June 6, at Burlingame Legion hall.

The proceeds of this affair will be for the benefit of the San Mateo County Blood Bank and a record gathering is anticipated. New music has been secured and an enjoyable evening will be had by those who attend. Refreshments will be served following the whist and the public is invited. Favors for high scores will be many and varied. A. G. K. Jakobsen, Daly City, is Chef de Gare.

Reported missing in the Navy Department's casualty list which was released, Monday, is the name of a Daly City youth, James W. Fulton, son of Mrs. Anna J. Fulton, who formerly lived at 285 Acton street and now resides in San Francisco.

Fulton enlisted in the United States Marine corps and is classed as a staff sergeant. The Navy Department's list covers a period from April 16, 1942 to May 10, 1942 inclusive.

Young Fulton attended Jefferson Union high school and is well known here. His brother, J. R. Fulton, lives at 155 Santa Barbara avenue in Daly City.

Sturdy Bars Save Westlake From Burglar

Sturdy bars on all the windows of the Westlake Market failed to yield, Friday night or Saturday morning, when two attempts to burglarize the building failed.

Robert Fessenden, proprietor of the market, reported to police, Saturday, that at some time between 9 p. m. Friday and 7 a. m. Saturday, attempts were made to break into the store via the window route. One try was made by pulling the screen off the window in the alleyway. The other attempt found the window open, but the bars on the windows prevented the prospective burglar from gaining entrance to the building.

OWL DRUG TEAM TO PLAY SUNDAY

Featuring Sunday's baseball attraction at Marchbank field will be the Owl Drug company's game with the Longshoremen. The game is slated for 2:30 p. m.

Popular with the Daly City fans in every appearance on the local diamond, the Owl Drug played in the first baseball game when the park was dedicated a year ago. The game is sponsored at Marchbank field by the Daly City WPA Recreation department.

Last week's results found the Daly City Fallone Packers defeating Amazon in the 11 a. m. game by a score of 6 to 3. In the afternoon encounter the Richmond Builders stacked up thirteen runs to defeat Pappenhauzen Hardware by a score of 13 to 5.

An activity on the Daly City WPA Recreation department calendar for tomorrow afternoon is the semi-monthly dance at General Pershing school. The dance begins at 3 p. m. and continues until 5 p. m.

Mrs. Marie Bell, a leader of the local WPA Recreation department, who has had considerable experience in the production of shows, assisted in the production of the Aquacade which was recently held at Jefferson Union high school.

Sister Of Mrs. Marquis Succumbs To Illness

Mrs. Gladys E. Wyman, San Francisco, sister of Mrs. Ilda Marquis, 173 Templeton avenue, succumbed to a short illness, Thursday.

Frank De Losa Gets 103 Pound Antelope

Lottery luck and hunting skill brought to Daly City, last weekend, one of the few bucks killed in California's first antelope open season.

The California Fish and Game commission arranged this antelope open season, the first in California's history, as an experiment. Because the animal is rare the commission held a lottery and issued only five hundred tags to hunters. Frank De Losa, 390 Miriam street, one of Daly City's veteran hunters, drew a tag.

Season opened Friday. At 9 a. m. Frank bagged a 103 pound buck, on the old lava flow near Ravendale.

Osborn Colson Is
Star Figure Skater

The same ambitions which led Shipstad and Johnson to create the Ice Follies guided Osborn Colson into being perhaps the greatest figure skater ever developed in Canada.

Colson is featured in the all-new Ice Follies of 1942, now showing nightly at Winterland in San Francisco.

While Eddie Shipstad and Oscar Johnson were climbing up the ladder with such success, they made professional appearances in Toronto. Each time they skated in the Canadian city, young Colson cut school classes to watch them. Meanwhile he entered amateur figure skating competition.

By 1937, having annexed every major Canadian skating title, he was face to face with the amateur-professional dilemma. He had turned down several offers by the time the long distance operator buzzed the Colson phone and announced, "Oscar Johnson calling Osborn Colson from Chicago." Ossie answered—both the phone and Oscar's offer.

He joined the Follies and has been in every show since, thrilling audiences from coast to coast with his brilliant performances.

This is the couple's first child. Both parents are well-known in this community, where they attended and graduated from local grammar and high schools.

Bethel 68 Queen
To Be Installed

Before a large group of members and friends, Miss Anne Cameron, Lomita Park, will be installed honored queen of Daly City Bethel No. 68, Order of Job's Daughters, Saturday evening.

The impressive ceremony will be held in the Blue room of the Crocker Masonic temple at 8 p. m. Installing officers of the evening include: Mrs. Irene Fox, hostess; Mrs. Eleanor Stone, guide; Mrs. Winifred Colliver, marshal; Miss Marion Tipcomb, recorder; Miss Lois Long, musician; Miss Margaretha Schade, chaplain; Mrs. Margaret Lombardi, senior custodian; Miss Shirley Yates, junior custodian; Mrs. Everonie Bramble, flag-bearer; and Miss Katherine Cameron, crown-bearer.

Those to be installed, with Miss Cameron, include: Miss Irene Johnston, senior princess; Miss Betty Schubert, junior princess; Miss Lois Almquist, guide; Miss Betty Davis, marshal; Miss Dorothy Bettis, senior custodian; Miss Joan Iskenbory, junior custodian; Miss Mae Pasero, treasurer; Miss Anna Rose St. Louis, recorder; Miss Rosemary Trawatha, musician; Miss Lois Carswell, chaplain; Miss Enid Bishop, librarian; Miss Barbara Sorensen, inner guard; Miss Esther Holcomb, outer guard; Miss Bernice Anderson, first messenger; Miss Barbara Elston, second messenger; Miss Barbara Rosekind, third messenger; Miss Marjorie Balou, fourth messenger; and Miss Frances Lou Bonds, fifth messenger. Outgoing honored queen is Miss Shirley Woltzen, San Francisco.

At the close of the installation a semi-formal dance will be held. Admission is by invitation only.

Matoaka Council
Entertains Deputies

To honor their members who are deputies of the Degree of Pocahontas and the Improved Order of Red Men, as well as their own deputy, Katherine Keating, and Past Great Pocahontas Tillie Cavagnaro, the members of Matoaka Council No. 18, D. of P., devoted the evening of May 20.

After the guests were introduced a capable team, with Hazel Haugaard as Pocahontas, initiated one candidate, Miss Mary Haugaard. Gifts were presented to the honorees, and after interesting talks the members adjourned to the banquet room where a supper had been prepared by Mrs. Olive Hoover and Mrs. Lizzie Woodworth.

Nominations of officers will take place at the next meeting.

Troop 101 Holds
Court Of Honor

A troop court of honor was held by members of Boy Scout Troop No. 101, Friday evening. Among the guests present at this affair were: Jack Garriott, field executive from Scout headquarters; Tom Tallon, district commissioner; Father Adrian McKenna, troop chaplain; Joe Rogers and Fred Klingler, troop committeemen, and a number of parents.

At the close of the court, David Peacock ran motion pictures for the group. Refreshments were later served.

Awards given at the ceremony included perfect attendance pins to Billy Nassano and Bob Coughlin. Joe Powers was promoted to senior patrol leader, taking the place of Eddy Denning who became an associate member for the rest of the year.

Four new members were initiated—Tom Bailey, Richard Gardella, William Barnes and Jack Musante.

New officers installed during the course of the evening included: Charles Christian, troop quartermaster; John Savage, scribe; Bob Coughlin and Billy Nassano, patrol leaders, and Fred Zraggen and Gerald Powers, assistant patrol leaders.

Service stars and badges for those who have recruited one or more members were also given.

This week, the troop will start an eighteen week first aid course, which will earn them the regular junior certificate. The Explorer patrol have already taken their standard courses.

In two weeks the Officers' club of the troop will spend a week-end at the Pinnacles, near Hollister. Plans are also under way for summer camp.

Woodrow PTA Tells
Where To Get Tags

Mrs. Hazel Keagle, president of Woodrow Wilson P. T. A., today announced that all parents who have not claimed their identification tags should do so this week. The tags have been taken to the home of Mrs. Emma Sorg, 115 Knowles avenue, and can be claimed there.

Local members attending the C. C. P. T. installation and luncheon, Thursday, May 28, were Mrs. Hazel Keagle, Mrs. Ida Hanley, Mrs. Emily MonSanto, Mrs. Lillian Thomey, Mrs. Betty Brush, and Mrs. Lena Banfield.

The public has been invited to attend the luncheon whist this afternoon at the home of Mrs. Keagle, 64 Wilson street. Lunch will be served from 12 noon till 1 p. m.

Members of the quilting club were told to note the fact that the group would meet every Thursday at the home of Mrs. MonSanto, 278 Los Banos, for all day sessions.

Regular meeting of the executive board will be held Tuesday, June 9, at the home of Mrs. Mon Santo. The group will meet at 12:30 p. m.

Pershing Board
Discusses Parties

Members of the executive board of General Pershing P. T. A. met, last Wednesday, to discuss plans for the last day of school party. It was also decided to hold a theatre party for the graduating class.

Mrs. Ann Eason was named chairman of the last whist of the season. The card game has been set for Friday afternoon, June 12, at 1:30 p. m. Playing will be held in General Pershing school.

Mrs. Eason announces that there will be many lovely prizes procured for the game; the public is invited.

Mrs. Nora Clifton and Mrs. Mildred Rasor attended the district installation luncheon at Burlingame, Thursday, May 28.

At the regular meeting of the group, Tuesday, Mrs. Rasor, president, named her committee chairmen for the coming year. The group was ratified by the membership. The complete list will be announced next week.

Guest speaker of the afternoon was Mrs. Alice Bryan, principal of the school. Refreshments were served at the close of the meeting.

"Hit The Deck"
Now At Curran

Opening a week's stay at the Curran theater, Monday night, was "Hit the Deck," Vincent Youman's hilarious and melodious musical of gobs and girls.

Producer Edwin Lester has given this third offering of the annual spring light opera season a sumptuous setting and a star-studded cast. Heading the list as Looloo is Joan Roberts, a young and brilliant discovery of the current New York season.

Opposite Miss Roberts as the nonchalant Bilge Smith is Frank Albertson with his winning smile and swaggering personality.

The other principals of the company of sixty are of real all-star calibre.

Uses Cheaper Coal

An automatic household-furnace stoker using the cheaper grades of hard coal, which, with thermostatic control, can be ignored for months at a time, has been invented by E. T. Selig and tested by the Mellon Institute. Given an adequate coal bin and an ash-storage pit four feet deep, it was necessary to replenish the coal only once in four months, have the ashes removed three times a year. A 38-year-old boiler furnace was used for the test.

Tomorrow it will be washing machines

Just as the machine gun is one of the most important products for war, so are washing machines and other home appliances among the most important products for peace.

To help Uncle Sam buy machine guns today, buy more U. S. War Bonds and Stamps. To have extra money so that you can buy more of the products of peace tomorrow, save additional dollars now in a savings account.

Remember that dollars you deposit in your savings account are fighting and working dollars. Many of them are converted by the bank into war loans...many are invested in government bonds.

SAFEWAY Homemakers' Guide

- ★ How you can win \$1000.
- ★ About vegetables and how to cook them.
- ★ Meats that are guaranteed.
- ★ How one wife made one husband happy.

Eight Secrets you may not know —and should .. about vegetables

There's nothing elaborate or fanciful about the modern methods of preparing and cooking vegetables. On the contrary, the new way is much simpler—(as you'll discover when you read these hints that come from the Safeway Homemakers' Bureau).

These eight suggestions will help keep all the color and flavor and garden freshness in your vegetables—and, at the same time, will help them retain all their health-building vitamins and minerals.

1. **To start**, always buy the freshest, finest vegetables available. The older they are, the less attractive they become, and they lose some of their vitamins, too. Buy and use greens the same day, if possible.

2. **When you get your vegetables home**, wash them quickly—but don't let them soak in water, or you'll wash away minerals and vitamins. Put greens in a covered container, wrap other vegetables closely in waxed paper, and store in the refrigerator until ready to use.

3. **Don't pare**, cut or shell fresh vegetables until just time to cook or serve, because vitamins escape once cut surfaces are exposed to air.

4. **Colors**—red, green, yellow and white; and **flavors**—mild, strong—determine just how vegetables are to be cooked. But, to retain nutritive qualities and appetite appeal in all vegetables, here's a good general rule: Cook quickly, as short a time as possible, using as little water as possible, and using cooking water when it is palatable. Quick cooking means less vitamin loss, less color change. To speed the cooking, add vegetables to rapidly boiling water; and whenever possible, cook covered.

5. **Green vegetables** (to keep their color) and **strong flavored vegetables** (to modify their flavor) should be cooked **uncovered**, in slightly more water than other vegetables.

6. **Add a little vinegar**, lemon juice, or tart apple to keep the color in red vegetables (like beets and red cabbage) during or after cooking. But don't add these acids to green vegetables until just serving time, or the green will turn dingy brown. Don't add soda to preserve color in green vegetables, either, for soda kills vitamins.

7. **Once vegetables are tender**, serve them as soon as possible, to get full benefit in goodness as well as nutrition. Overcooking lessens attractiveness, sacrifices vitamins and minerals, and may cause unpleasant color changes.

8. **When you cook vegetables in a small amount of water**, it's easy to serve the condensed cooking water with the vegetable itself. Save any leftover liquid to flavor soups and gravies—unless, of course, it is unpalatable.

More about cooking vegetables
In this week's issue of Family Circle Magazine is an interesting article on the modern methods of vegetable cookery, and on nutrition in vegetables. Issued every Thursday, free at Safeway.

Speaking of dairy products you ought to read this

Whole milk is one of our most complete natural foods. It contains, in varying amounts, all the food elements we need. It's an excellent source of protein; the minerals, calcium and phosphorus; riboflavin and niacin (B vitamins). And it's a fair source of Thiamin (Vitamin B1) and has some Vitamin A and D.

Cheese, made from whole milk, such as American or Cheddar, is essentially the same as whole milk, nutritionally.

Butter and Cream are most important, nutritionally, for the Vitamin A they contribute. As well as Vitamin D and protein or fat.

Dairy products at Safeway are all top quality. And not only are they brimming with nutrition, they are always low priced—every day. Guaranteed to please you completely or all your money back.

Members of the executive board and Sew and Sew club of Crocker P. T. A. were entertained at a delicious luncheon at the home of Junior Past President Mrs. Olga Bordson, last Friday. Twenty-five ladies enjoyed Mrs. Bordson's hospitality. The luncheon was followed by a meeting of the executive board, at which time several important items came up for recommendation to the June meeting. Among them was the selecting of the chairmen of committees for the coming year. After these committee chairmen have been ratified by the unit at the June meeting, their names will be published in The Record.

The June meeting of Crocker will be held in Crocker school, Tuesday, June 9, at 1:30 p. m. The next meeting of the Sew and Sew club has been tentatively set for Thursday, June 11, at the home of Mrs. Lyl Ingersoll, 439 Crocker avenue.

Members of Crocker P. T. A. distributed children's identification tags at Crocker school, last Friday. Many parents did not call for their tags. These will be delivered personally by the unit to the homes, during the coming week.

Mrs. Hazel Cassasa, president, and Mrs. Virginia Davidson, program chairman, will represent Crocker at the executive board meeting of Seventeenth district in Burlingame, next Monday.

Albert Leveroni, Colma, and Helen Pucci, Lomita Park, filed notice of intention to wed in San Mateo county, last week.

Taking office as president of Seventeenth district, C. C. P. T., Thursday, at impressive installation ceremonies was Mrs. Stella L. Jensen, Colma. Local P. T. A. units were represented at the meeting, which was held in Burlingame Methodist church.

From Yesterday's Chicken

By Frances Lee Barton

As a rule there is more or less white and dark meat left after the family has finished its chicken dinner. Cold chicken, chicken sandwiches and chicken soup usually take care of such left-overs.

But may I suggest a chicken loaf, which takes care of the left-over chicken, celery, pimiento and also the rich chicken stock? You'll find it a tasty novelty:

Chicken Loaf

1 package lemon-flavored gelatin; 1 pint hot chicken stock, free from fat; 1 cup diced cooked chicken; 1/2 cup chopped celery; 1/4 cup chopped green pepper; 2 tablespoons chopped pimiento; 1/4 teaspoon salt; 2 tablespoons vinegar; 1/4 cup chopped stuffed olives; 1 teaspoon scraped onion; dash of cayenne; dash of Worcestershire sauce.

Dissolve gelatin in hot stock. Chill until slightly thickened. Combine remaining ingredients and fold at once into slightly thickened gelatin. Turn into loaf pan. Chill until firm. Unmold on crisp water-cress. Serve in slices. Or mold in ring mold and serve as salad garnished with mayonnaise. Serves 6.

Court St. Mary Meets This Evening

New officers of Court St. Mary No. 1155, C. D. A., will preside over a short business meeting, this evening. Following the meeting at 8:30 p. m., a public whist will be held in Masonic hall.

The committee in charge announce that many attractive prizes have been secured for the game.

The members were urged to attend the business and card game. Plans for installation will be discussed at the meeting.

Mothers Club Will Install Officers

Mrs. Mary Musante will be installed as president of the Mothers' Club of Our Lady of Perpetual Help school, tomorrow evening. The installation ceremony for her and her corps of officers will take place at the school at 8 p. m. All members are urged to attend.

Mrs. Louise Bongera, San Mateo, will act as installing officer. At the close of the ceremony, a social evening will be enjoyed.

Mrs. Mary Hanley, Mrs. Elsie Thomson and Mrs. Lucille Mariscolo will serve on the social committee.

This affair will be the last meeting of the term for the local group. Meetings will be resumed the latter part of August or first

Eastern Star Members See Minstrel Show

Following their stated meeting, Monday evening, at Masonic temple, members of Crocker Chapter No. 382, O. E. S., saw a minstrel show. The show was put on by Bethel 37, Job's Daughters. At the next meeting of the group, Monday evening, June 15, Brothers Night will be celebrated. Committee includes Ed Weisenburger, Pete Barsi and Ab Widasky.

Two June events are slated for the sewing club. A luncheon is scheduled for June 11 at 12:30 p. m. Members are urged to bring their friends to the June 25 luncheon and dessert whist. Both parties will be held at Masonic hall.

part of September. Mrs. Elizabeth Korhummel, 127 Shakespeare street, will be hostess to the sewing group, Wednesday afternoon.

SUPPOSE THIS WERE YOUR HOME!

IT MIGHT VERY WELL BE. War is no respecter of persons. Homes of other folk all over the world have been destroyed. You can't dismiss it by saying, "It can't happen here." Home means much more than a house. It isn't only your house that is threatened, it is you as an individual—your right to life, to liberty, to worship as you please, to read the truth, to hear the truth, to speak the truth. These are the rights that make your house a home. You'll keep these American rights only if we and our allies drop more bombs, build more planes and ships, keep our production lines busier than do our foes. There is something for each of us to do—something that must be done. Figure out what your job is and then give it everything you've got. Working together with such spirit, we shall speed the day of triumph and peace.

The job of this company is to supply the power and fuel needed, no matter how unexpected the demand nor what the emergency.

McGovern Seeks Office Of Coroner

(Editor's note—This is the first of a series of candidate announcement stories The Record will run as a community service prior to the fall election. Following its traditional "open door" policy, The Record invites all candidates to use the news and advertising columns of this newspaper in telling their story to the citizens of Daly City and Colma.)

Dr. J. C. McGovern, local dentist and chairman of the draft board here, this week announced his candidacy for the office of San Mateo County Coroner and Public Administrator, an office which he held prior to 1935. On announcing his intention of running for public office, Dr. McGovern today issued the following statement:

"In presenting my candidacy, I feel that I am thoroughly qualified by experience. I know every foot of San Mateo county, and I know all the phases of the coroner's work.

"During my former tenure, following in the footsteps of my predecessors, I appointed every mortician in the county a deputy coroner. This gave the county not only the best service without additional expense, but gave these morticians with thousands of dollars invested, an equal share of county business.

"I am a graduate of our local grammar schools, Lowell high school in San Francisco, and the University of California. For the past two years, I have been chairman of Selective Service Board No. 103, and I am chairman of the Procurement Assignment committee of San Mateo county for the federal government.

"It is my patriotic duty to continue to serve the government in these capacities, and I will not be able to make the campaign I would like to make while our country is at war. I will meet the electorate over the radio and through the local press. I ask the support of the people on one basis only—my record as a private citizen and a former public official.

"Since 1917 I have been associated with one of the finest of youth movements, the Boy Scouts of America, and as a good scout I can make no stronger promise than this: 'On my honor I will do my best.'"

NOTICE

War Veterans

All War Veterans owning property in San Mateo County entitled to the benefits of the Exemption as provided for in Section 1 1/4, Article XIII of the Constitution of the State of California are requested to file their exemption with the County Assessor as soon as possible in order to aid this office in the completion of the 1942 Assessment Roll. State law provides that all exemption affidavits must be filed with the County Assessor before the last Monday in June.

Martin J. Flynn,
San Mateo County Assessor.

At The District Grammar Schools

At Crocker

Kenneth Hanson returned to school, where his classmates in Room 1 welcomed him. He had been confined to home because of illness.

Another Room 1 student who is ill and unable to attend classes is Richard Vaughn.

Crocker pupils enjoyed three motion picture films during the past few weeks. Room 2 saw a film called "San Francisco;" Room 4 students were shown a film, "People of Hawaii;" and Room 6 students saw a film on Hawaii which dealt with nationalities there.

At Pershing

Students of the General Pershing school have been very active in the war effort program which is proceeding in all schools. The Pershing students have gathered great amounts of tinfoil, tin cans, and lead foil for national defense. In addition they have doubled their efforts to purchase defense stamps. A contest between rooms is under way to see which room can buy the most defense stamps. Topping last week's contestants were the high second and low third grades, having bought defense stamps amounting to \$17.55.

At Woodrow

Frank Devlin, Woodrow's model plane builder for the Navy, told classmates of the recent visit he made, as an honorary naval officer, to the Oakland Naval Air Base. Frank made the tour with three other youths who set records for model plane building in a program introduced by the Navy.

Great interest is being shown by Room 14 students as they study their new unit on the California Redwoods. A picture was shown last week about forest fires and the methods of fighting them.

Barbara Marsh, Room 15, left recently to visit relatives in New Mexico for the summer.

In connection with their unit on the California Redwoods, Room 12 students enjoyed a moving picture film entitled "Conservation of Forest, Fish, and Game."

At Jefferson

First graders of Jefferson school recently began a new study unit called, "The Library," which includes making book marks in artistic designs and learning the care and appreciation of books.

After a trip to the circus, some of the pupils of the sixth grade are making a voluntary study of the life of circus animals. Classroom reports are given, and there is in the classroom an artistic border portraying the circus.

An excellent description of the work of "camofleurs" was given by Lola Casentini during a current event lesson in the eighth grade, showing how military objectives are disguised from the enemy.

Baseballers from Jefferson school, the Jefferson Cubs, chalked up another victory recently when they won over Woodrow Wilson school by a close margin of 3 to 1. Leading the Cubs to the Victory were Eugene Lazzari and Nathan Agresti.

Classes

SENIOR BALL

An event eagerly anticipated by the high senior class and other members of the student body is nearly here. Tomorrow evening, the school auditorium will be turned into a room of enchantment, according to the dance committee and chairman, Earlyn Barker.

Formals and dark suits will be the costumes of the evening. Several members of the faculty will be present to greet the guests.

Admission is by invitation only. Anyone still wishing to go to the ball, had better get in touch with a high senior at once.

Howard Miguel and his famous Indians of Rhythm, fresh from their recent success in the water pageant, will furnish the music.

ELECTION

Campaign speeches were held, Friday afternoon, in the school auditorium. Contest for the new corps of officers has been a hot and heavy one. New officers will be announced next week.

Some of the offices have no candidates, so it will be necessary for the executive board to appoint someone to fill the vacancies.

MOTHERS' TEA

According to all reports, mothers as well as students and teachers, enjoyed the annual Mothers' tea, last Tuesday.

Congratulations upon its success go to the three teachers who worked so hard in preparation of the afternoon—Miss Elizabeth Jones, Miss Martha Springer and Miss Clara Maynard.

At the close of a short musical program, presented by Oscar Busch, the mothers retired to the cafeteria for a fashion show and tea.

Freshmen girls served the tea. Girls taking part in the fashion show whose clothes were outstanding included: Dorothy Rodriguez, modeling a pink and green outfit; Alice and Anna Crossland in eye-catching twin sister dresses of blue print; and May Lou Lane, modeling a striking two-piece suit.

All gowns and dresses modeled by the girls were made during their sewing periods.

WATER PAGEANT

Playing to a capacity crowd, Thursday and Friday evenings, this year's water pageant proved a smash hit. Over one hundred students took part in the pageant.

Orchids go to Mrs. Marie Bell, member of the WPA Recreation
